MASTER OF INTERNATIONAL HOTEL MANAGEMENT

Whether you want to research an area of your interest or prepare for senior management roles in the hospitality industry, the Master of International Hotel Management can help you get there. Follow your passion for hospitality with this two year master's degree.

There's growing demand for hospitality professionals with a postgraduate qualification and a sound understanding of international hotel management.

Our course is designed to provide you with the opportunity to develop advanced knowledge and cognitive skills to understand and manage international hotel operations at a senior level.

Whilst the course focus is on international hotels, you could choose to undertake your career paths in other areas of the international tourism and hospitality industry. Graduates from hotel schools/universities/colleges - holding business or hospitality related degrees, may receive Recognition of Prior Learning (RPL). For more RPL policy, go to <https://www.ichm.edu.au/future-students/recognition-of-prior-learning>

Year 1 - Semester 1: Graduate Certificate in International Hotel Management

20-22 Weeks On-campus Academic Study

Year 1 - Semester 2: Graduate Diploma in International Hotel Management

20-22 Weeks On-campus Academic Study

Year 2 : Master of International Hotel Management

Semester 3: 20-22 Weeks On-campus Academic Study

Semester 4: 20-24 Weeks Professional Practice and Research (Industry)

Semester 4 of the Masters provides you with the opportunity to undertake a six month Professional Practice and Research in industry. This capstone subject will enable you to integrate theory with the practice of work to develop your knowledge, skills and professional networks through lived experiences in a natural workplace setting. There is an expectation that you have a minimum of 200 hours industry experience prior to undertaking their Professional Practice and Research in industry.

You can engage the ICHM Industry and Career Development (ICD) Managers to assist them with sourcing an industry position for the purpose of this subject. The ICD Managers employ a similar process to that which is used for the standard industry placements; with most positions within Australia being paid as regular employees. ICHM works with a number of valued industry partners to facilitate the work integrated learning periods.

ICHM is a leader in graduate employability in Australia.

96.3% of our graduates are employed within first 12 months.
