

FIND YOUR GREATNESS

AUT

NEW ZEALAND

Give yourself a powerful advantage with the

AUT Certificate in Foundation Studies.

These exciting foundation programs provide thorough preparation for both study and life, and give you guaranteed entry to AUT undergraduate degrees.

- Gain skills, knowledge and confidence to grow as a person as you learn
- Four programs (6, 8/9, or 12-months) designed to transition students with limited English language skills to university
- Foundation Connect is the extension program for any student who does not yet meet the entry requirements based on English language skills
- Subjects of your choice for a global career
- Upskill in academic English and gain essential subject knowledge, critical study skills, computer proficiency and research techniques

Auckland University of Technology (AUT) is New Zealand's 2nd largest university. It is a modern, world-ranked university known for its international outlook, outstanding teaching and student facilities, interactive learning environment and its focus on industry connections, employability and research that positively impacts society.
