Swinburne scholarships

AUSTRALIA

_2023

Swinburne International Excellence Pathway Scholarship*

From A\$2500 to A\$4000 off your pathway course tuition

If you excel academically in a pathway course such as Foundation Year, UniLink or Postgraduate Qualifying Program, you could receive A\$2500 to A\$4000 off your pathway course tuition.

To be eligible for this scholarship, you must meet any **one** of the following criteria:

- satisfactory completion of at least three VCE subjects (Units 1 and 2), or
- an academic result of at least 60% WAM in Australian Year 11 or equivalent qualification, or
- an academic result of at least 60% WAM in Australian Year 12 or equivalent qualification, or
- an academic result of at least 60% GPA Australian standard equivalent.

Students who are already enrolled in our ELICOS+ program will be automatically considered for this scholarship.

ELICOS + Exclusive

ELICOS+ Exclusive refunds **up to 10 weeks** of your ELICOS tuition fees, **up to A\$4400**.

To be eligible for this scholarship, you must not satisfy the English language requirement of your main Swinburne course. Once you have finished your ELICOS course and started your main Swinburne course, a refund equal to 10 weeks of ELICOS fees - up to A\$4400 - will be deducted from your main course tuition.

This could be for you if you are applying for

- Any English language course (ELICOS) + Undergraduate or postgraduate degree
- Any English language course (ELICOS) + Pathway course (e.g. UniLink) + Undergraduate or postgraduate degree

Swinburne International Excellence Undergraduate Scholarship**

Depending on your GPA and eligibility, you can receive **up to 30% off** your course fees every year for the duration of your course.

You must have achieved an academic result of **at least 60% GPA** Australian standard equivalent to be eligible for this scholarship. Students who are already enrolled in our ELICOS+ program will be automatically considered for this scholarship.

Excluded courses: Bachelor of Nursing, Bachelor of Aviation and Piloting, Bachelor of Aviation and Piloting / Bachelor of Business (double degree) and one-year honours degrees.

Swinburne International Excellence Postgraduate Scholarship**

Depending on your GPA from Postgraduate Qualifying Program and eligibility, you can receive **up to 30% off** your course fees every year for a maximum of two years.

You must have achieved an academic result of **at least 60% GPA** Australian standard equivalent to be eligible for this scholarship. Students who are already enrolled in our ELICOS+ program will be automatically considered for this scholarship.

Students who are studying the Master of Information Technology (Professional Computing) or Master of Science (Network Systems) are eligible to receive A\$2500 off their tuition.

George Swinburne Postgraduate STEM Scholarship***

If you're a commencing postgraduate student applying for select STEM courses, you could receive **30% off** your tuition fees for the duration of your course.

To be eligible for this scholarship, you must be applying for one of the following courses:

- Master of Business Information Systems
- Master of Construction and Infrastructure Management
- Master of Construction Management Practice (and combined degrees)
- Master of Cybersecurity
- Master of Data Science
- Master of Engineering Practice (all specialisations and combined degrees)
- Master of Engineering Science (all specialisations)
- Master of Financial Technologies
- Master of Information Technology
- Master of Professional Engineering
- Master of Science (Biotechnology)
- Master of Supply Chain Innovation

*Further criteria may apply. Students applying from Europe, USA and Canada are not eligible for this scholarship.

**Further criteria may apply. Students applying from China, Taiwan, Japan, Korea, Macau, Hong Kong, Europe, USA and Canada are eligible to receive 10% off their tuition. We are also continuing to support students applying from China, Taiwan and Hong Kong with further scholarships.

*** Further criteria may apply. Students applying from China, Taiwan, Japan, Korea, Macau, Hong Kong, Europe, USA and Canada are not eligible for this scholarship.
