

CDU International College Sydney Campus

📍 Level 10, 815 George Street Haymarket, Sydney
NSW 2000

Accelerated Masters Qualifying Program (MQP)

Who is this program for?

International students who have already completed three years of post-secondary school study in their home country but may require additional support with their English language skills.

Students who successfully complete the MQP at CDU International College gain direct entry to the following postgraduate programs at Charles Darwin University:

- Master of Data Science
- Master of Information Technology (Information Systems)
- Master of Information Technology (Cyber Security)

Why study at CDU International College?

You will gain a deep understanding of the demands of postgraduate study and learn the processes, expectations and methods for success before their masters program begins.

The Accelerated Masters Qualifying Program focuses on developing academic knowledge and skills, including acculturation to studying Business and Information Technology in Australia, English for postgraduate studies and critical thinking.

It is designed to enable you to read, write, communicate and critically analyse higher level concepts and complex issues in a discipline specific context. You will further develop skills in reflective, autonomous and collaborative practices to successfully engage in learning and assessment activities at postgraduate level.
