

# STUDY ABROAD PROGRAM

## Nothing beats experience

Nothing beats experience, and with the ICHM Study Abroad program that is exactly what you get; the opportunity to study in Australia and obtain real industry experience.

### WHAT DO YOU STUDY?

With the Study Abroad Program (non-award), ICHM invites students from all around the world to study with them in Adelaide for six months, and then undertake a paid work placement in an Australian hotel for six months (the work placement is optional). Together with your own university or hotel school, you can select up to 8 subjects (or as few as 4 subjects) at different levels.

### STUDENT ACCOMMODATION

Scape Waymouth - ICHM's recommended student accommodation option. Located in the heart of Adelaide, only a short walk from the CBD in close proximity to ICHM, public transport and shopping centres, ensuring you have easy access to all your day-to-day requirements and all of the exciting elements Adelaide has to offer. Students can book online or call and note that they are from ICHM. Find out more at <https://www.scape.com.au/adelaide/scape-waymouth/>

### STUDY ABROAD ENTRY REQUIREMENTS AND VISA

To study at ICHM, students will need an IELTS of 5.5 (no band below 5.0.); or TOEFL (IBT) above 46 overall (min 15 in any band); or recognised equivalent.

You will apply for a Student Visa (subclass 500) Non-Award Temporary Visa. This has a limit of 12 months, inclusive of English, tuition, and work placement.

Refer to the following link for details regarding the Study Abroad Visa: <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visalisting/student-500>

All international students coming to Australia on student visas are required to pay for Overseas Student Health Cover (OSHC) for the full duration of their studies.

### STUDY ABROAD TUITION FEES

Tuition fees are calculated by the number of subjects studied. The per subject cost for 2022 is fixed at **A\$4000**. Your tuition fees will depend on the number of subjects you choose; for example the six-month academic fee for studying four subjects on campus will be A\$16,000. If you want to study additional subjects, you pay the per-subject cost for each one undertaken. All Study Abroad students pay a once off New Student Fee.
