AUT Certificate in Foundation Studies

Victoria University of Wellington
Foundation Studies Programme

These exciting foundation programmes provide thorough preparation for study and give you guaranteed entry to one of three leading universities in New Zealand.

- Different programmes (6, 8/9 or 12-months in length) designed to transition students with limited English language skills to undergraduate degree programmes
- The Pathways Link Programme (PLP) is an innovative educational initiative designed specifically for international students aged 14-16 who have recently finished their junior high school education and aspire to study abroad.
- Foundation Connect is the extension program for any student who does not yet meet the entry requirements based on academic background and English language skills
- Subjects of your choice for a global career
- Upskill in academic English and gain essential subject knowledge, critical study skills, computer proficiency and research techniques
- English language proficiency can be tested by an online test, without the need for external IELTS
