Welcome to Auckland University of Technology (AUT)

Nau mai, haere mai (Welcome)

AUT is New Zealand's youngest, most dynamic, and fastest growing university. Based in Auckland, New Zealand's largest and most international city, we are a high performing university highly regarded for our international outlook, research, and teaching. International students, like you, are an incredibly important part of AUT.

The AUT Certificate in Foundation Studies programme is designed to prepare you for entry into AUT's undergraduate degree programmes by equipping you with essential subject knowledge, English language proficiency, and tertiary study skills.

At AUT, our mission is to create great graduates. We work hard to offer a welcoming environment where people love to learn. We aim to approach students holistically, offering exceptional learning experiences, while supporting student wellbeing and providing student services and opportunities that support and inspire people from a wide range of diverse backgrounds and countries.

The programme you are entering is taught on our behalf by UP Education, and AUT and UP have a long history of working together to support students. This has been a successful pathway to university students for more than 20 years, and after the successful completion of your studies, I look forward to welcoming you to AUT.

Ngā manaakitanga (With best wishes).

Professor Damon Salesa
Vice-Chancellor

Explore while you study

New Zealand is proudly multicultural, and we respect and welcome international students. The New Zealand Government's Code of Practice requires education providers to keep students safe and well during their study, including during their recreational time.

New Zealand has it all – excellent universities, a great lifestyle, diverse communities, vibrant cities, stunning natural scenery and an unbeatable range of outdoor activities, all within a small area. Cities such as Auckland and Wellington offer plenty of cultural activities, while those who love the great outdoors have glaciers, mountains, rainforests and coastlines to explore.

"There was something 'profoundly different' about New Zealand compared with the rest of the world, and it was something the world could learn from.

It's a certain sense of duty to each other, that you're part of the team, that you will sacrifice for each other. That empathy, that love and respect, whatever it is that binds you together – we hope to be as much a part of that as we can be."

James Cameron

Hollywood Director of Avatar

Welcome to Auckland

A great place to study and live.

Auckland is New Zealand's economic hub and biggest city – vibrant and busy, with clean air and friendly people.

A growing Asia-Pacific centre of excellence, Auckland consistently rates as one of the best places in the world to live and study.

Living costs

New Zealand is an affordable study destination, with options to suit every budget.

Cost of living*	Homestay estimated weekly cost in NZ\$
Accommodation	\$360-\$390
Electricity, water & gas	Included in homestay fee
Mobile phone plan	\$5-\$15
Public transport	\$0-\$35
Food	Included in full-board homestay fee
Free time activities	\$50-\$150

*This table is only applicable to Homestay prices. Costs can vary depending on lifestyle, accommodation, and hobbies and interests. However, for a reasonable standard of living, we think students need about \$20,000-\$27,000 a year.

Additional costs

- Flights to and from New Zealand
- Tuition fees
- Clothes

Voted the world's most liveable city in 2021*, Auckland is New Zealand's largest city and one of our fastest growing, with 1.7 million people and home to a third of New Zealand's population.

Situated on a beautiful harbour, Auckland has all the advantages of a big city – with a thriving business sector, major events, cafes, restaurants and bars, and the world's best-known brands in Auckland's shopping precincts.

It's a vibrant place that celebrates cultural diversity and is known for events like the Pasifika Festival, Chinese New Year Lantern Festival and Diwali, each of which attracts thousands of visitors each year.

New Zealand's leading modern university

AUT is proud to be one of the world's best modern universities. Times Higher Education has ranked us among the top 1% (51-300) of universities in the world¹ and in the top 50 universities under 50 years of age². We have an overall five-star rating from university rankings organisation QS, in addition to five-star ratings for Teaching, Employability, Research, Internationalisation, Facilities, Innovation and Inclusiveness³.

We're one of the largest universities in New Zealand and the fastest growing postgraduate study destination, with over 250 programmes, 2,200 academic staff and more than 100,000 alumni all over the world.

Collaboration and partnership underpin everything we do and we're connected to an extraordinary range of organisations worldwide; sharing expertise and resources, collaborating on groundbreaking research, and connecting students with industry leaders and employers.

Widely known for academic excellence

AUT's mission is to create great graduates, and each member of our staff contributes to this. We offer exceptional learning experiences that prepare students to be successful wherever in the world their career may take them.

Study with us and you can enrol in our range of world-ranked subjects, which include our highly ranked health programmes and one of the world's best sport science schools.

Across all of our programmes, we encourage innovation and entrepreneurship, and the ability to explore new technologies, challenge routine thinking and solve problems in new ways. We embrace new technologies to lead the learning of tomorrow and prepare our students for the rapidly changing world. As a contemporary university we also place an emphasis on working across disciplines in our research, and teaching and learning.

Research that shapes tomorrow

AUT is a leader in global research impact, and we're ranked first in Australasia by university rankings organisation Times Higher Education for the number of times our research is cited globally.

We have more than 60 research centres and institutes delivering leading research – from space science to artificial intelligence and robotics, and ecology to physical activity and nutrition.

Jiwoo Nam
from South Korea
**Bachelor of Design
in Digital Design**

"I am incredibly grateful for my experience at AUT pursuing my game design degree. One of the aspects that truly sets AUT apart is the incredible support and guidance provided by the lecturers. The small class sizes create an intimate learning environment where the lecturers are not only experts in their field but also approachable and friendly mentors. With the strong foundation and skills I've gained here, I am excited to meet the challenges and opportunities that lie ahead in the dynamic field of game design."

Degree options

Transition to university

Auckland University of Technology offers a wide range of undergraduate courses for you to choose from for your packaged offer. Our Education Counsellor is available to offer their expertise if you want to learn more about your chosen undergraduate degree. Once you successfully complete your foundation course, you will be awarded with a completion certificate from AUT.

Faculty	Programme
Culture and Society	Bachelor of Arts (Creative Writing, Criminology and Criminal Justice, Culinary Arts, Economics, Education, Event Management, Global Tourism, History, International Studies, Interpreting, New Zealand Sign Language and Deaf Studies, New Zealand Sign Language - English Interpreting, Psychology, Social Sciences)

Most in-demand degrees

Bachelor of International Hospitality Management

Industry-relevant skills to launch a hospitality career in some of the world's most exciting and exotic destinations.

- Strong industry connections with top hotels, travel agencies, restaurants and tourism operators.
- Ranked in the top 75 best hospitality and tourism programmes in the world. Apprenticeships are available in the hospitality industry.
- Focus on issues of sustainability, digital integration and global citizenship.

Bachelor of Communication Studies

AUT's communications degree is very well regarded in New Zealand and around the world.

- Our students pick up top jobs in the best companies and media outlets, and win many prestigious awards.
- Graduates are internationally recognised, having won the Sally Logan-Milne Young Practitioner of the Year award, CAANZ AXIS award, ORCA awards, Cannes International Advertising award and NZ Student Marketer of the Year award.

Bachelor of Computer and Information Sciences

Outstanding facilities and industry connections to help launch your career in computer and information sciences.

- Attend the ICT and Engineering Careers Fair where you can meet representatives from New Zealand's biggest and most exciting companies.
- Complete an industry research project in your final year.
- Connections with New Zealand's biggest and most exciting companies, from Datacom and Deloitte to Slingshot and Fisher & Paykel Healthcare.

Bachelor of Health Science

Meet the changing needs of global healthcare. Specialise in a specific health discipline or become a health professional in a non-clinical role.

- 8 health clinic services housed in professional facilities with industry standard equipment.
- Our academic staff and postgraduate students often conduct groundbreaking research.
- AUT's health sciences degree is developed with input from district health boards and leading health organisations.

AUT Certificate in Foundation Studies*

Who is this programme for?

Students who are currently studying at New Zealand secondary school Year 12 (NCEA Level 2), or

- Grade 11/12 (Asia), or
- Second/third year of senior high school, or equivalent
- For students who do not meet the requirements above, there is a Foundation Connect option**.

*AUT Certificate in Foundation Studies is issued by UP Education on behalf of Auckland University of Technology.
** Refer to the website for more information.
aut.up.education/foundation-connect/

Subjects

- **Core**
 - English I
 - English IIA and IIB
 - Tertiary Study Skills
 - Culture and Society

- **Elective**

- **Mathematics:** Quantitative Methods, Algebra, Statistics
- **Sciences:** Biology, Physics
- **Arts:** Media Studies, Art & Design, Design & Society, History
- **Commerce:** Accounting, Microeconomics, Macroeconomics, Marketing, Management Studies
- Other subjects coming soon: Environmental Science, Tourism, Health Studies

Note: Availability of subjects might change each term

Enrol in a Certificate in Foundation Studies programme and receive:

1. An offer of place for the Certificate in Foundation Studies
2. A conditional offer of place for an undergraduate degree course at AUT (successfully complete the Certificate in Foundation Studies and receive an unconditional offer)

To enter an AUT undergraduate programme:

- Achieve a minimum of 55% in English I, 60% in English IIA, 65% in English IIB and 50% in two other core subjects.
- Achieve 50% or better in optional academic subjects (some degrees require higher marks). See page 14 for more details

Foundation Connect**

Delivered by UP Education, Foundation Connect provides a comprehensive, English-rich curriculum to prepare students for the *Auckland University of Technology Certificate in Foundation Studies. This six-month extension programme allows students to develop their English skills, confidence and apply these English skills in an academic setting. Foundation Connect includes engagement in mathematics and academic courses to give students a broader foundation for future learning. Successfully complete this course and you can proceed to the *Auckland University of Technology Certificate in Foundation Studies (Standard). English entry requirement of Foundation Connect programme is IELTS 4.5 (min 4.0 in all bands) or equivalent.

Refer to the website for more information. aut.up.education/foundation-connect/

Pathways Link***

The Pathways Link Programme is a one-year programme designed specifically for international students aged 14-16 who have recently finished their junior high school education and aspire to study abroad. This programme aims to equip students with essential foundational knowledge, skills, and the confidence necessary to excel in the future Foundation studies.

Refer to the website for more information. aut.up.education/pathways-link/

*Scan the QR Code for accepted IELTS equivalents and academic entry requirements.

**Foundation Connect is registered as Intensive English programme at NZQA.

***Pathways Link is registered as Pathways Link - L1A and L1B (Level 1)(Training Scheme) at NZQA.

Immanuel Phan
from Indonesia

"UP Education teachers are extremely experienced with international students and very helpful. They understand our challenges and often go above and beyond to make sure I pass my assignments. Our tutors also get in touch with us personally to talk things through and make sure we're progressing well and that we're happy."

Degree progression requirements for AUT

Scan to learn more about degree progression requirements

	Bachelor of Health Science (Case Management, Counselling, Health Management, Public and Environmental Health)	200	February	3	Must be capable of meeting Vulnerable Children's Act (VCA Act) requirements, including police vetting and referee reports	English II (65% minimum), or IELTS 6.0 overall (with no band below 5.5), or equivalent #
	Bachelor of Health Science (Paramedicine) ∞	275	February and July	3	Must be capable of meeting Health Practitioners Competence Assurance Act (HPCA Act) and Vulnerable Children's Act (VCA Act) requirements, including police vetting, immunisation screening and referee reports. At least one subject from Biology, Chemistry, Algebra, Statistics. Clean, full drivers licence.	English II (65% minimum) and IELTS 6.5 overall with no band below 6.5
	Bachelor of Health Science (Perioperative Practice) ∞	275	February and July	3	Must be capable of meeting Health Practitioners Competence Assurance Act (HPCA Act) and Vulnerable Children's Act (VCA Act) requirements, including police vetting, immunisation screening and referee reports.	English II (65% minimum) and IELTS 6.5 overall with no band below 6.5
	Bachelor of Health Science (Psychology)	200	February	3	Must be capable of meeting Vulnerable Children's Act (VCA Act) requirements, including police vetting and referee reports	English II (65% minimum), or IELTS 6.0 overall (with no band below 5.5), or equivalent #
	Bachelor of Health Science (Midwifery)* ∞	275	February	4	Must be capable of meeting Health Practitioners Competence Assurance Act (HPCA Act) and Vulnerable Children's Act (VCA Act) requirements, including police vetting, immunisation screening and referee reports, at least one subject from Biology, Chemistry, Algebra, Statistics	English II (65% minimum) and IELTS 7.0 overall with Writing and Reading not less than 6.5 and Listening and Speaking not less than 7.0
	Bachelor of Health Science (Nursing)* ∞	275	February and July	3	Must be capable of meeting Health Practitioners Competence Assurance Act (HPCA Act) and Vulnerable Children's Act (VCA Act) requirements, including police vetting, immunisation screening and referee reports. At least one subject from Biology, Chemistry, Algebra, Statistics	English II (65% minimum) and IELTS 6.5 overall with no band below 6.5
	Bachelor of Health Science (Occupational Therapy, Podiatry)* ∞	275	February	3	Must be capable of meeting Health Practitioners Competence Assurance Act (HPCA Act) and Vulnerable Children's Act (VCA Act) requirements, including police vetting, immunisation screening and referee reports	English II (65% minimum) and IELTS 7.0 overall with no band below 6.5
	Bachelor of Health Science (Physiotherapy)* ∞	275	February	4	Must be capable of meeting Health Practitioners Competence Assurance Act (HPCA Act) and Vulnerable Children's Act (VCA Act) requirements, including police vetting, immunisation screening and referee reports	English II (65% minimum) and IELTS 7.0 overall with no band below 6.5
	Bachelor of Health Science (Oral Health)* ∞	275	February	3	Must be capable of meeting Health Practitioners Competence Assurance Act (HPCA Act) and Vulnerable Children's Act (VCA Act) requirements, including police vetting, immunisation screening and referee reports. At least one subject from Biology, Chemistry, Algebra, Statistics	English II (65% minimum) and IELTS 7.0 overall with no band below 6.5
	Bachelor of Medical Laboratory Science* ∞	200	February	4	Must be capable of meeting Health Practitioners Competence Assurance Act (HPCA Act) requirements, including police vetting and immunisation screening. Must study one mathematics subject, Chemistry, Biology	English II (65% minimum) and IELTS 6.5 overall with no band below 6.0
	Bachelor of Science (Biological Science, Biomedical Science, Chemistry, Environmental Science, Food Science, Marine Science)	200	February and July	3	Preference given to students who have studied at least two science subjects	English II (65% minimum), or IELTS 6.0 overall (with no band below 5.5), or equivalent #
	Bachelor of Sport and Recreation (Coaching, Exercise Science and Nutrition, Health and Physical Education, Management, Outdoor Education, Sport and Exercise Science)	200	February and July	3	Must be capable of meeting Vulnerable Children's Act (VCA Act) requirements, including police vetting and referee reports	English II (65% minimum), or IELTS 6.0 overall (with no band below 5.5), or equivalent #

* The professional body (Registration Board) may impose additional requirements at registration. The requirements detailed in the current AUT Calendar take precedence if different from those on this page.

∞ Limited places. Successful completion of the Certificate in Foundation Studies does not guarantee entry into these degrees.

Students who gain an English II grade of C- to C+ may submit an IELTS (Academic) score for programme entry. The required score for each programme is listed in the current AUT Calendar. Students who achieve B- in English II are deemed to have met the English language entry of 6.0, while B or higher is deemed equivalent to a minimum IELTS 6.5. Students who achieve less than the stipulated grade in English II are required to present an IELTS score in addition to a C pass (C- to C+) in this subject.

Academic advisers can provide further advice on courses most likely to provide the best foundation for selected degrees. 'Academic courses' refers to the four subjects taken in addition to Tertiary Study Skills, Culture & Society, English I and II in the Foundation Studies programme. Students must complete the full requirements of 120 points, and gain C- passes or higher in all subjects to be awarded University Entrance (UE) and the certificate.

A = Excellent	A+ = 90%	A = 85-89%	A- = 80-84%
B = Very Good	B+ = 75-79%	B = 70-74%	B- = 65-69%
C = Pass	C+ = 60-64%	C = 55-59%	C- = 50-54%
D = Fail			

Automatic admission to the degrees listed requires the minimum marks (where stipulated) and approval of published additional requirements, in addition to completion of the Certificate in Foundation Studies. The above information is correct at time of printing and is subject to change.

UP International College New Zealand

The AUT Certificate in Foundation Studies is taught at the UP International College New Zealand in the heart of Auckland's CBD, close to public transport, accommodation and a vibrant range of entertainment and cultural offerings. Students on this programme also have access to the world-class facilities at AUT.

Our modern, air-conditioned classrooms are well equipped with the latest multimedia capabilities, all computers have email and internet access, and are available for independent study from 8.30am-5pm. Other campus facilities include a large student common room, espresso coffee cart and café offering fresh food and drinks. Students in their final term have weekly meetings with the International Team at AUT, to make sure their transition is smooth and without issues.

The Auckland University of Technology Certificate in Foundation studies, delivered by the UP International College New Zealand is proudly a Licensee of the FernMark Licence Programme, a country of origin trademark programme endorsed and recognised by the New Zealand Government.

The FernMark is used by New Zealand government departments across the world. It represents the story of who we are and where we're from, our New Zealand Story. It's a symbol people recognise and trust - a trademark that embodies our values of kaitiaki, integrity, ingenuity - the values of our New Zealand Story.

History of the Silver Fern

The Silver Fern is one of New Zealand's most recognised, long-standing, and respected national symbols. Since the late 19th Century our fern has been worn with pride by our sports teams, with honour by our soldiers and used to represent our country all over the world. But why is the Silver Fern so special? Māori hunters and warriors would use the silver underside of the fern leaves to find their way. When bent over, the fronds would catch the moonlight and illuminate a path through the forest.

Today, the Silver Fern is still guiding the way, just as it has for over 150 years. The New Zealand Government and key private businesses have helped grow the FernMark into a recognisable and valuable icon. Tourism New Zealand and New Zealand Trade and Enterprise have also adopted the Silver Fern as the country of origin symbol for New Zealand. And now, the FernMark gives us the opportunity to represent New Zealand on the world stage and bring international students on a journey to our shores through our New Zealand Story.

"Auckland University of Technology in Auckland provides quality educational opportunities to help students transition into study and work. UP Education and AUT have a supportive programme of weekly meetings with our students in their final term, so that they have the knowledge, skills and understanding to start their university study with confidence. These meetings mean our students build their own relationships with university staff before they start their study. The programmes for AUT at UP Education (Foundation Connect, Pathways link, Standard, Fast-Track and Accelerated) are tailor-made to meet students' needs where they are at and to provide them with the tools to be successful in their programmes and into the future. Year after year, our highly qualified, creative and caring teachers provide excellent learning opportunities to students both onshore and offshore, and students who work hard and seize these opportunities reap the benefit of being admitted into a QS world-ranked, five star university, with top ratings for teaching, employability, research, internationalisation, facilities, innovation and inclusiveness."

**Bryce Pedersen - Head of College,
UP International College New Zealand**

**Sattabut
Chankhrueakerd**
from Thailand

"Teachers at UP International College New Zealand are always here for me and trying to help me as they can to make sure that my academic journey here is great. Moreover, the staff here were also helping me in all aspects such as my application for AUT. I feel really grateful."

Life on campus

UP International College New Zealand

Academic learning is the key to success, but learning outside the classroom is equally valuable. We encourage our students to make friends, have fun and fully embrace all aspects of New Zealand or Australian life.

1,000+ students from 50+ countries study at UP Education. Our main New Zealand campus is in the heart of central Auckland, with a second campus in Wellington where the Victoria University of Wellington Foundation Studies Programme is offered.

Student services

The wellbeing of students is our top priority as it is the key to both academic and personal success.

Orientation at UPIC

Our orientation programme helps you settle in when you first arrive. You'll receive an information handbook that includes homestay and accommodation guidelines.

The tutor system

We encourage you to develop good study habits and we offer personalised support to help you reach your goals. Each student is assigned a tutor to supervise their study and provide individual guidance, meeting regularly to check progress, celebrate success and overcome challenges.

Settling into study

Offering a level of care that sets us apart, UP Education provides help and support to all international students from the moment they contact us, to arriving in New Zealand and throughout their studies. We're here to help ensure life in New Zealand is happy and rewarding.

Auckland University of Technology

AUT has three campuses around Auckland: in the central city, Manukau and on the North Shore. The City Campus is in the heart of Auckland city and not far from the UP International College New Zealand campus. It is AUT's largest campus and home to most academic units and the central administration. The campus has cafés, restaurants and bars, as well as a gym, library and cycle racks, showers and lockers for students to use. To get a feel for what AUT looks like, take a virtual tour of the campuses: aut.ac.nz/virtualtour

AUT student support

Once you have commenced your degree study at AUT, the university has comprehensive student support services to make sure you have an amazing experience both inside and outside the classroom.

Orientation programme at AUT

At Orientation you will meet fellow students studying your qualification, learn the campus layout, hear about support available to help you succeed, and get connected to the free AUT wifi.

Library and learning support

AUT's library and learning support team offers a wide range of services and resources, including digital resources to help you develop your academic skills. The library runs workshops to help you get the most out of your studies and work smarter rather than harder, and a peer mentoring programme helps you learn from others who have already completed the courses you are studying.

Free access to digital tools and resources

AUT offers students all the digital tools needed to succeed, including free wifi on campus, the full Office 365 suite for up to five devices and access to LinkedIn Learning, a world leading online learning platform.

Our Student Hubs – your place to get the support you need

AUT offers some of the most comprehensive student support services in New Zealand, and our Student Hub is where you can learn more about these services. Our Student Hubs are available both online and across our campuses, so you can get help and support when and where you need it. The Student Hub helps you navigate all the opportunities available to you, and provides you with the support to succeed, from when you apply to after you graduate.

"The top reason why I chose UP International College New Zealand is the opportunity they can provide me. At every stage of the educational process, they place a strong emphasis on student's needs. Their support and motivation pushed me further and increased my ambition.

The teachers at UP International College New Zealand do as much they can to support students in achieving academic success. They give the class a joyous atmosphere. It gives me more curiosity to understand the concepts."

Kin Wang Ngai
from Hong Kong

Support on campus

UP International College of New Zealand

Learning support

Studying overseas is exciting and rewarding – but sometimes it can also be challenging. We are here to provide all the support and care students need to achieve their goals. The role of the deans is to support the tutors and teaching staff by monitoring attendance and academic progress, and carrying out disciplinary measures where required. If a teacher has a concern about a student, they talk to their tutor first, followed by the dean if necessary. Our teachers, tutors and deans work together closely to ensure students are happy and thriving.

International student support

International student support officers help students with accommodation, health, course guidance and pathway options, as well as administration issues such as visa renewals, banking and insurance.

Caring for your health & wellbeing

We have staff trained and registered with Red Cross for minor health and wellbeing issues at the International College. If students need further medical treatment, a doctor is available by appointment.

Studentsafe insurance for international students

The Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021 requires all international students studying in New Zealand to have appropriate health and travel insurance during their period of study and covering the duration of their visa.

"The International Student Support Team is here to help students with any queries relating to their studies, such as accommodation, health, course guidance, complaints, withdrawals and refunds, as well as administration issues such as visa renewals, claiming from insurance and organising student activities, such as orientation, graduation etc.

We aim to provide all students with a superior study experience at UP International College and therefore work closely with all internal and external stakeholders (which includes students, student recruitment, and the academic teams across all campuses) to ensure queries are resolved effectively and in a timely manner."

**Katie Gao – Student Service and Support Team Lead,
UP International College New Zealand**

Auckland University of Technology

Getting you started on your uni journey

Studying at university is exciting and can be quite an adjustment. That's why AUT helps new students transition to university life by delivering a wide-ranging orientation programme on campus and online at the start of each semester. Orientation is complemented by a fun social programme to help you meet new friends and celebrate the new journey you're on. You'll be connected to our student ambassadors and navigators who are senior students at AUT – and were in your shoes not too long ago. Orientation is just one aspect; we also offer activities throughout the semester. To help you find your way through your student journey, AUT's app also provides up-to-date news, events, and information about AUT anytime, anywhere.

Helping you achieve your academic goals

At AUT, we do everything we can to support you to achieve your academic goals and set you up for a successful career. You'll have access to all the people, resources and technology you need to make the most of your learning opportunities.

Learning support: Our learning advisors and Studiosity are here to help you ace your assessments, with easy access to writing, research, notetaking, exam and reading skills support.

Childcare: We have childcare centres at the City and North Campus for student parents.

Free technology access: Access wifi on campus, the full Microsoft Office 365 suite and LinkedIn Learning and enjoy remote access to all AUT computers to use specialist software unavailable on personal devices.

Financial assistance: Get support with food or transport vouchers, rent and living expenses if you're experiencing financial difficulty.

Graduate Research School: Postgraduate students can access leadership and support services from applications through to graduation, and dedicated staff to support you throughout your studies.

Vibrant research culture: Enjoy the many opportunities to collaborate, connect, share and celebrate ideas on multiple platforms across AUT.

about scholarships

Scholarships

PATHWAY SCHOLARSHIPS

Pathways Link Scholarships

The scholarship is valued at \$5,000 NZD of the tuition fee for the students who apply and are accepted into the Auckland University of Technology Pathways Link programme in the February intake of 2024.

Foundation Connect progression scholarships

Students who have successfully progressed from the Foundation Connect programme to the Standard Foundation programme will be awarded a scholarship if they achieved top results. The scholarship will be awarded at three levels depending on their final grades:

- \$5,000 NZD
- \$2,500 NZD
- \$1,000 NZD

International Excellence Scholarships

Scholarships of up to \$5,000 are available for the Foundation programme. These scholarships are competitively assessed and only awarded to students who demonstrate exceptional academic performance in their previous studies.

If you are interested in applying, please enquire with your agent or Regional Representative about the next steps.

AUT International Scholarships

AUT offers many scholarships for international students who want to study at AUT. To review all available scholarships for international students visit:

www.aut.ac.nz/int/scholarships

APPLY NOW

HOW TO APPLY

Step 1. Application

- Visit Enroller, our online enrolment portal, where you will be able to set up your account and manage the entire enrolment process from application through to arrival.

enroller.app/up-education-university-partnerships/enrolment-application

Step 2. Acceptance

- Open the unconditional offer that you received from admissions@up.education.
- Read through the electronic Confirmation of Enrolment (eCoE) Enrolment Acceptance Form and Summary of Terms Implied by Statute Sign and initial at the requested sessions on the offer and send them back to admissions@up.education.

Step 3. Payment

- Open browser on your computer/laptop/mobile/tablet and go to upic.flywire.com.
- Change the language if you need by clicking the globe icon on the up-left side of the page.
- Choose the country that you are paying from and type in the NZD amount shown in the invoice on your unconditional offer.
- Follow the on-screen instructions to complete the payment.

Step 4. Visa application

- Apply for your student visa online with Immigration New Zealand at immigration.govt.nz/new-zealand-visas/apply-for-a-visa

Step 5. Enrolment

- Once your payment is received, you will receive an email from admissions@up.education with your receipt. Please pay attention to your email inbox, including spam and trash box, for emails from studentsupport@up.education as they include important information such as orientation schedules, subject selection links and deadlines. Read the emails carefully and reply to their emails with requested information to complete your enrolment process.

If you have any questions about the application process, contact the Admissions Team at admissions@up.education

Programme options and fees

Scan to learn more about programme options and fees

Programme options	Tuition fees (NZD)	Resource fees (NZD)	Intake dates (Including On Campus Orientation)
Foundation Connect (6 months)*	\$16,750	\$450	7 Feb, 22 Apr, 16 Jul, 8 Oct
Standard (12 months)	\$31,250	\$900	7 Feb, 22 Apr, 16 Jul, 8 Oct
Fast-track (8-9 months)	\$24,250	\$900	7 Feb, 22 Apr, 16 Jul, 8 Oct
Accelerated (6 months)	\$19,500	\$900	7 Feb, 22 Apr, 16 Jul, 8 Oct
Pathways Link (12 months)*	\$32,000	\$2,000	7 February, 16 July
Additional fees (if applicable)			NZD
Enrolment fee			\$450
Exam fee			\$400

*Students starting with Foundation Connect / Pathways Link Programme will pay the Enrolment and Exam fees once and will not be charged again upon progression to Foundation.

Powered by UP Education, Foundation Connect is a comprehensive six-month extension programme that provides targeted preparation for Foundation. Students at the end of the 6-month Foundation Connect programme will be individually appraised to check that they have achieved the set criteria of entry into Standard Foundation.

Pathways Link programme is a one-year programme will offer successful students entry into AUT Foundation Studies programmes. There are two intakes in 2024 – February and July.

Accommodation

Homestay

Available to all students, homestay is a great way of experiencing New Zealand culture and practising your English every day.

You will have your own room with a bed, desk, lamp and wifi, and all meals are included for full-board homestay option. Laundry is also included.

- All homestays are thoroughly checked – the family is interviewed and the home inspected.
- All homestay providers sign a contract agreeing to rules and standards and undergo a vetting procedure by New Zealand Police.
- All students under 18 are visited in their accommodation quarterly by authorised accommodation assessors.

Fees

Homestay	NZD
Homestay Placement fee (<i>one-off</i>)*	\$350
Homestay Replacement fee (<i>one-off</i> **)	\$250

Insurance

Studentsafe Inbound learners	NZD
Medical and travel insurance (12 months)*	\$789

Please note: Accommodation Placement Fee, Designated Caregiver Assessment Fee or Airport pick up fee are non-refundable once the arrangement is confirmed.

*If UP Education coordinates student accommodation.

**Fee charged when student requests a change of homestay for reasons deemed unacceptable, or if student frequently changes homestays (fee charged at discretion of the Accommodation team).

***Half-board – only Breakfast and Dinner is provided for school days.

****Full-board – 3 meals a day are provided

*Fee charged when change to a new Designated Caregiver

^ Allows for homestays for students under 18 to be checked once per term to ensure the Education Code of Practice requirements are being met.

^^ Limited spaces available for Homestay plus options

^^^ Fee applies when students go away for more than seven days (6 nights) and want to keep the Homestay room.

*International students must have comprehensive medical and travel insurance while in New Zealand. Enrolled international students will be charged Allianz's Studentsafe Inbound Learners insurance premium when enrolment is completed. The final cost of insurance will depend on the length of requested insurance cover period.

- All payments to the homestay provider are made via the UP Education Student Fees Trust.
- A 24-hour call centre number is provided in case of emergency.

Other accommodation options

You could also choose to:

- Live with your parents
- Live with a designated caregiver (relative or family friend)
- Live in university accommodation
- Live in the student apartments (for students 18 and over only – this is the responsibility of the student or their parent/guardian or agent to arrange).

If you are under 18 at the start of your course, your accommodation arrangements must be approved by us.

This information is to be used as a guide only to determine entrance. UP Education reserves the right to change the requirements at any time without prior notice.

English language requirements

Programme option	IELTS
Accelerated	6.0 and no band less than 5.0
Fast-track	5.5 and no band less than 5.0
Standard	5.0 and no band less than 4.5
Foundation Connect	4.5 and no band less than 4.0
Pathways Link	4.5 and no band less than 4.0

All students need to provide evidence of their English proficiency upon application.

- If you are an international applicant and your first language is not English, you will need to provide satisfactory evidence of your English proficiency.

• English is considered the first language of citizens of Canada, Ireland, Singapore, the United Kingdom and the United States of America.

- If you are a domestic applicant and your first language is not English, you will be asked to provide evidence of your competence in written and spoken English.

UP English Language Test

Scan to learn more about UP English Language Test

The UP English Language Test (UPELT) has been developed to provide prospective students with an opportunity to quickly obtain an English language score prior to enrolment into a programme of their choice.

The test is facilitated online by highly qualified and experienced staff. It consists of computer-based, hand-written, and examiner-led tasks. Test description and instructions for test preparation are made available to all prospective candidates in advance, and a practice test is provided. Measures are taken to ensure the integrity of the test.

The UPELT is facilitated every Wednesday afternoon (1pm NZ Standard Time). Bookings can be arranged through the UP Admissions Team, admissions@up.education.

UP English Language Test Summary

Part	Tasks	Time (Online)
Reading	3 short passages (approx. 300-400 words each) from: <ul style="list-style-type: none"> • a textbook chapter or report • an academic article or essay • an academic abstract 	45 minutes
Listening	2 tracks: <ul style="list-style-type: none"> • a conversation in an academic setting • a part of a lecture 	20 minutes (Plus time to record answers)
Writing	1 essay, 220-250 words <ul style="list-style-type: none"> • problem and solution • cause and effect • advantage and disadvantages 	40 minutes (Plus time to upload the essay)
Speaking	2 tasks led by an examiner: <ul style="list-style-type: none"> • a conversation on familiar topics • a discussion of a topical issue 	10 minutes (Plus time for preparation)

One day before the test, candidates will be sent:

- information about the UPELT and technical requirements
- the test security procedure
- instructions on how to set up the room and desk for the test
- demonstration of how to use two devices with cameras during the test
- login instructions
- a practice test
- a Microsoft Teams link for joining the test

Talk to our students

Auckland University of Technology is a great place to study. But don't just take our word for it! Our students are happy to help you with any questions about life at AUT or studying in New Zealand.

Sattabut Chankhruakerd

Hey! My name is Sattabut or you can call me TK. I'm a second year student at AUT. Preparing for University can be hard but don't you worry because I'm here to help you!

Anya Cheng

I'm an international student from Hong Kong and studying year1 Communication studies in AUT city campus. I can speak Cantonese, Mandarin and English, fluent in all three of them. So please don't hesitate to talk to me in any of these languages!

Jiwoo Nam

Hi, I've been studying in New Zealand for four years as an international student, and I'm currently studying digital design at AUT. Since I'm very familiar with the environment here, I'm here to help you with any questions and curiosities about studying in New Zealand. Don't be shy or scared! I would love to have a chat with you! ;)

Daisy Pham

Hello. I'm Daisy. I come from Vietnam. Currently I am studying at AUT with a major in Case Management, in the Bachelor of Health Science. Nice to meet you guys.

Code of Practice for the Pastoral Care of International Students

UP Education, and its schools, is a signatory to The Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021. Published by the New Zealand Ministry of Education and administered by the New Zealand Qualifications Authority (NZQA), the Code is designed to ensure international students are well informed, safe and properly cared for. Visit: nzqa.govt.nz/the-code

UP Education partners with leading universities in New Zealand and Australia to provide learning pathways to international students, equipping them with the knowledge, skills and confidence to excel at English-language universities.

Every effort was made to present accurate information in this publication at the time of printing. (22nd of January 2024)

UP Education reserves the right to change information without notice where this is considered necessary or desirable.
