

YOU CREATE THE FUTURE OF DIGITAL INNOVATION.

“Creativity is just connecting things. When you ask creative people how they did something, they feel a little guilty because they didn’t really do it, they just saw something. It seemed obvious to them after a while. That’s because they were able to connect experiences they’ve had and synthesize new things.”

- Steve Jobs

YOUR CAREER PATH

Bachelor of Digital Innovation

Delivered by Yoobee College of Creative Innovation

Duration: 3 years

NZQA: Level 7

Credits: 360

Our brand new Bachelor's Degree lives in the future, a place where tech meets business, meets marketing, meets tomorrow. A place where you get to break the rules and set new ones. A place where you can get 8-10 weeks guaranteed work experience while you study with brands like:

Graduate roles

Graduates should be confident applying for mid-level roles in Design, Marketing, Business and other innovative roles, such as:

- » Marketing Assistant
- » Marketing & Communication Specialist
- » Digital Marketer
- » Content Editor
- » Digital Content Specialist
- » Marketing and Social Media Coordinator
- » E-commerce Coordinator
- » Marketing Data Analyst
- » CRM & Marketing Coordinator
- » Digital Advertising Analyst
- » Brand Manager

Senior roles

Your career progression will be largely determined by the experience you gain. Promotion to Marketing Manager usually comes after gaining 3 to 10 years of experience. Even more senior positions like Marketing Director and Chief Marketing Officer (CMO) often need 10-15 years of experience*.

Advertising, sales and marketing managers need to be:

- creative
- persistent and motivated
- able to lead and persuade people
- enquiring and analytical
- good at networking and building relationships
- strong verbal and written communicators
- skilled at planning
- able to work well under pressure.

Employability

Many employers require a relevant tertiary qualification, such as a degree or diploma in marketing and advertising. For advertising creative roles (such as graphic design and copywriting) most employers will need a portfolio of work or proven advertising experience.

Marketing specialists \$80,000 to \$130,000

Marketing coordinators \$65,000 to \$80,000 and executives

Average salary three years after completing of Bachelor Degree \$62,000

Average Digital Marketing annual salary \$75,000

Overview

Bachelor of Digital Innovation

Why study at Yoobee?

The world is changing at an exponential pace right now. What worked a few years ago, doesn't anymore. We need to change the script, flip the conversation, use un-business business thinking to read the shifts and get ahead.

So, while others are teaching obsolete business and marketing concepts and theory, our new degree lives in the future.

A place where the lines between business, tech, design and marketing don't exist. A place where you get to break the rules and set new ones.

A place where you can get **8-10 weeks guaranteed work experience** while you study with brands like Meta, Snapchat, Hewlett Packard and Beats.

Software licenses we provide you with:

- A year-long subscription to Adobe (covered by Course Related Costs).
- Complimentary membership to the Marketing Association of New Zealand while enrolled in this programme.

What you'll learn

Creative skills and knowledge that goes beyond traditional marketing and includes hands-on creative skills, resilience and critical thinking.

Key content : **Design – Marketing – Business**

Year 1

Year 1 will teach you to think like a designer, design like a marketer, and break the rules of business, ideating, designing, launching and tracking campaigns.

Year 2

Focuses on developing your skills in key areas of Branding, Project and Stakeholder Management, SEO & CRMs, Inbound Marketing, Integrated Marketing Communications and Product Launches.

Year 3

Develop your critical thinking and get prepared to become a change maker in the industry. You'll create a business strategy and pitch your work so you're experienced in stakeholder, manager and investor approvals.

This project will give you experience in collaboratively developing a creative piece of work; learning how to work with different groups in a business, through agile development and processes, and is a great experience for when you graduate.

Student Project - Graphic Design
created by Harriet Norton

JUST ASK
JUST LISTEN.

Her campaign is aimed at those experiencing mental health issues, offering the hope of encouragement and ideas for how they can support their loved ones.

Harriet's colour palette and mother and child bird imagery are used to evoke feelings of care and nurture.

Learn to become multi-skilled marketers by planning and implementing a marketing strategy, launch a campaign, and design collateral, images and videos that a campaign needs.
