PATHWAY TO TOP UNIVERSITY

PATHWAY LINK PROGRAMME

Pathway Link programme aims to equip you with essential foundational knowledge, skills, and the confidence necessary to excel in your future Foundation studies.

The one-year programme will offer successful students entry into the Auckland University of Technology Foundation Studies programmes.

- Upskill in academic English and gain essential subject knowledge, critical study skills, computer proficiency and research techniques
- Gain skills, knowledge and confidence to grow as a person as you learn
- Every student will have a weekly meeting with their pastoral care tutor, to talk about progress, and to listen to the student's personal experience of studying and living in New Zealand, which can be shared with parents.

New Zealand's fastest growing university, AUT is home to 30,000+ students, including 5,400+ international students from over 95 countries. AUT has a reputation for strong industry links and high graduate employment rate.
