International Course Guide 2025

SECOND EDITION

# Your journey starts here

Whether you're just starting out, or you're ready to take the next step in your pursuit of knowledge, there's no place quite like Tasmania.

As a university that has a long history of welcoming international students, we understand the important role you will play in shaping both our university, and the broader community when you join us in Tasmania.

Upon arriving in Tasmania, you'll be immersed in one of the world's most spectacular natural environments. Framed by vibrant cities, beaches, snowfields and forests, Tasmania is a place where you can hear yourself think and learn beyond the classroom.

As a student, our whole island is your campus. Many of our courses let you take your studies into Tasmania's great outdoors — on field trips, through work placements, and through our leading sustainability program. These real-world experiences make you more employable, while also giving you the chance to engage with our welcoming community and leverage our industry connections. Plus, you'll have a distinctive and unforgettable Australian experience.

We are ranked 1st for postgraduate employment outcomes in Australia\* and proud to offer courses and support which equip students for successful and fulfilling careers.

## Our whole island is your campus

When you're in one of the world's most amazing places, you need to get outside, explore and live while you learn. Whatever you're passionate about, we'll give you a hands-on education and an unforgettable adventure.

## Generous scholarships

We offer a great range of scholarships for international students. These can reward you for academic merit, provide English language support, and give you tuition fee discounts.

### Fees Disclaimer

Tuition fees listed are indicative only. Fees will be reviewed annually and are subject to change. The fees you pay in future years will be those approved for the corresponding academic year, and may not be the same as the fees listed in your Letter of Offer. Any tuition fee increases will be applied to all applicable courses in your Letter of Offer. You are strongly encouraged to regularly review the latest available tuition fee information at [utas.edu.au/international/studying](https://utas.edu.au/international/studying)

### Combine your interests with a double degree

Our double degrees allow you to deepen your knowledge within two separate study areas. That means you can pursue your career and follow your passion at the same time. And when you graduate, you'll have a set of skills that will really set you apart.

## Our campuses

We have campuses in the distinct urban regions of Tasmania: Hobart in the South, Launceston in the North, and Burnie in the North West. We also have a specialised Nursing campus in Sydney. Our campuses make the most of each region's strengths, which means your learning is informed by the place you live. We're also building exciting new campuses and spaces to connect you with industry and the community.
